Wicklewood Weekly

9th October, 2026

Norwich Castle Museum & Art Gallery

Year 3 enjoyed an exciting and immersive journey through prehistory during their Stone Age Experience. The children met costumed characters from the Stone, Bronze and Iron Ages, bringing their history learning to life in a memorable and engaging way.

They had the opportunity to handle genuine Neolithic tools, explore what life was like in ancient settlements, and learn about early textiles, crafts and culture. The visit provided a fantastic hands-on opportunity to deepen their understanding of the periods they have been studying in class and inspired lots of thoughtful questions and discussions.

Year 4's Science Experiment

This week, Year 4 explored how different materials melt at different rates. The children investigated butter, candle wax, ice cubes and chocolate, making predictions before observing and recording their results. They discussed how heat affects materials and compared the different melting times, thinking carefully about why some substances melted more quickly than others. The experiment helped to develop their scientific enquiry skills, including predicting, observing, measuring and drawing conclusions from their findings.

Parking Reminder

To ensure the safety of all pupils, families and staff, please follow the parking arrangements below at all times:

- Do not park in front of the school. This area is reserved exclusively for taxis and school buses.
- **NEVER park on the road outside the school. Stopping or parking here creates a significant safety risk during busy drop-off and pick-up periods.**
- The first parking bay is reserved for staff vehicles only.
- Please park responsibly to help maximise spaces.
- If additional parking is required, please use the Church or Village Hall car parks.
- If you are running late, please don't worry! Children will be looked after by their class teacher then taken to after-school club until you arrive.

We ask all parents and visitors to comply with these arrangements. Failure to do so compromises the safety of our school community and may obstruct access for authorised vehicles.

Thank you for your cooperation and support in keeping everyone safe.

Dates:

15 (5pm) & 16 (9am) Oct_Year 6 Parents SATs briefings
15 Oct - Year 2 Time and Tide Museum
22 Oct - Individual pupil photos
23 Oct - Staff Inset Day - School Closed
10 &11 November - Parents Evenings
11 Dec - Whole School Theatre Royal Panto visit
16 Dec-Wymondham Abbey Carol Concert

Every Day Matters

It is a statutory requirement for children to attend school every day.
This week' s winners are...
Jay with 100%

Golden Ticket Winners!

SEND

Most children learn to talk very easily. However, some children develop their understanding and talking more slowly. With the right kind of support many of these children will grow out of these difficulties.

Approximately two children in every classroom in primary school will have DLD and it is more common in boys than girls. if you feel that your child may have some language delay speek to your class teacher or find out more information at Just One Norfolk

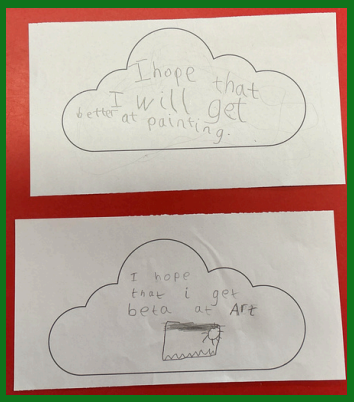
Clothing and uniform

Please make sure you clearly mark your child's name in every piece of clothing they bring to school so that it can be quickly returned if they lose it.

Healthy breaktime snacks

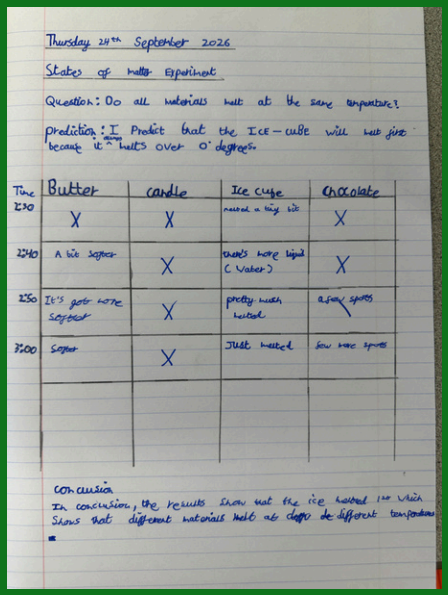
We always encourage the pupils to eat a healthy snack at break such as fruit or vegetables or something related. Please ask them not to take out crisps or cakes, etc from their packed lunch at break and we will reinforce this.

Our Wonderful Work

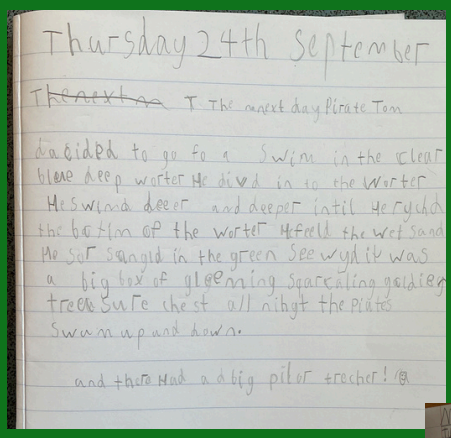


Freya and Albert, Year 2

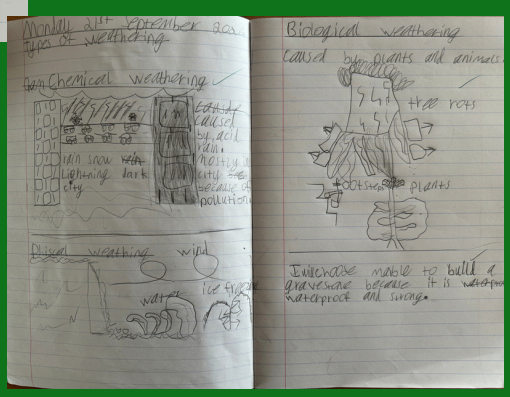
Teddy and Lainey, Reception



Rupert, Year 4



Kaliya, Year 2



Emma, Year 3

WYMONDHAM ABBEY

Junior Choir

Does your child love to sing?

If so, the Wymondham Abbey Junior Choir might be the place for them!

Junior choristers have the opportunity to sing with a fantastic choir, learn to read music, sing regularly in a beautiful building, make friends and have fun!

We take children aged 7 and up.

Rehearsals are 6.30-7.30pm on Fridays at Wymondham Abbey and are free to attended.

If you are interested or want to find out more, get in touch by contacting Lorna at:
