Wicklewood Weekly

18th September, 2026

We are into our second full week of the year and it's been great to see pupils fully into the swing of learning. This week Year 6 and next week Years 3, 4 and 5 will be completing baseline assessments to help teachers set targets, judge progress and identify which pupils may need additional support so that they meet our high expectations for them. Year 2 complete theirs the week after. In the parent meetings after half-term, class teachers will share this work with you to help you support your child and understand their progress. Supporting your child with reading remains the most effective way of assisting them at school. Year 2 upwards will hugely benefit from practising times tables too!

Well done to Fern and Rupert who read every day over the summer holiday! Another well done to all those who took part in the Norfolk Library's Summer Reading Challenge.

Please remember that break-time snacks should be healthy choices such as fruit, vegetables or fruit/plain yoghurt. Thank you for supporting our healthy eating ethos and helping children stay energised for learning. They should also be nut free.

Pastoral

Thank you to the parents that attended the Norfolk STEPS Parent Workshop on Tuesday and for your positive feedback. There is another on next Thursday 24th at 9am so please come along!

It has been lovely to see the children settling back into the new school routine. Thank you parents for your effort getting them to school on time and with everything they need, it really does give them the best start to the day.

SEND

As we have now returned to school and the change of season's is coming we are beginning to see the start of colds and viruses entering the school.

At school we encourage students to wash their hands regularly, especially before eating and after using the bathroom or wiping their nose.

For more information on how to stop the spread of germs check out JustOne Norfolk

WYMONDHAM ABBEY

Junior Choir

Does your child love to sing?

If so, the Wymondham Abbey Junior Choir might be the place for them!

Junior choristers have the opportunity to sing with a fantastic choir, learn to read music, sing regularly in a beautiful building, make friends and have fun!

We take children aged 7 and up.

Rehearsals are 6.30-7.30pm on Fridays at Wymondham Abbey and are free to attended.

If you are interested or want to find out more, get in touch by contacting Lorna at:
