

Sportshall Athletics by Freya Kemp and Anna Wayne year 5.

On Tuesday 24th January, we attended an athletics competition. We arrived around 9.30 – 9.45a.m and we arrived back to school at around 1.15p.m.

There were ten events, including triple jump, vertical jump, standing jump and much more. There were around seven schools competing. We got at least two goes on every obstacle and there were four rests between the

girls and the boys. The last challenge was the baton relay which we would say was the toughest.

The person who gave us instructions at Wymondham High said that we would find out who got in to the next round the next day. Sadly Robert Kett won but we came a close second and we were happy with that.

Tag Rugby

On Wednesday 1st February some of our year 5s and 6s represented the Cluster at the County Finals. Unfortunately they were not the overall winners but they have to be commended on their attitude, team work and determination. Their resilience to the weather was also impressive! Well done. A huge thank you to Arthur Pattison for all the extra hours he has dedicated to coaching this squad and to Emma Smith for helping to organise the event.
