17.7.15

Dear Parents,

As you will see in this newsletter, there has been a huge amount going on in the last couple of weeks!

However, first of all, an apology- somehow we managed to forget to include the usual child and parent response slip when we sent out the reports last week. We were wondering why no one had sent them back (apart from Wren Class who had a different format for their reports) so yesterday you should have received this and we would be very pleased to receive yours and your child's comments.

Also, some of the reports did not include an explanation of the new attainment and effort levels, which are as follows:

**Effort:**

- 1 – excellent
- 2 – good
- 3 – inconsistent

**Standard:**

- AE – above expected
- E – expected
- WTE – working towards expected

**Wind in the Willows**

What a fabulous production this was- well done to all the children, who really were little stars, and to all the staff who have worked so hard to make it happen.

*Ollie and Lexie as Ratty and Mole*

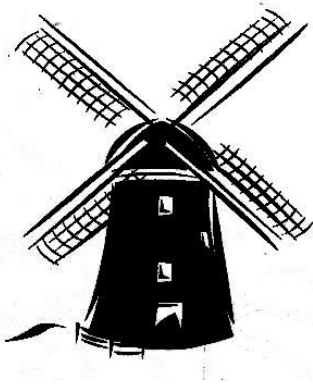

*The singers*

The project that we have been working on all year in collaboration with the other schools in the cluster culminated last week in an exhibition of the children's work at Browick Road School. The standard was high so particular congratulations to the following children who were prize-winners:

Molly Shepherd and George Snelling for Key Stage 2

Keola Silver and Tilly Butler for Key Stage 1.

Tilly and Keola receive their prizes.

### Fizz and Swish

Thank you to the Friends for another amazing evening – the Fizz and Swish raised a total of £563.

### The Friends

At the end of this academic year, we would like to say a huge thank you to the Friends for all the hard work they put in, not just in being at events but for all the planning and organisation that goes into everything. The children benefit in so many ways from the money that is raised and it is all very much appreciated.

**Lost property:** there is still a massive amount of lost property and at the end of term, all unnamed items will be disposed of. PLEASE check and make sure there is nothing belonging to your child.

### Sports Day

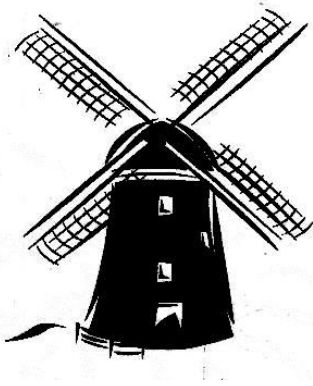

The weather may have been decidedly uncertain at the start of the morning but we "Wicklewoodites" are made of sterner stuff and despite some initial drizzle-sports day went ahead and was very successful. All the children did their very best and after some very close results, Red team emerged as this year's winners. Well done Red team and the team captains,

Dan and Evelyn.

### Race for Life

Immediately after Sports day finished the children did Race for Life. All of them took part with options on how far they wanted to run. It was an amazing effort by all. Well done everyone.

If you haven't already done so please return sponsorship forms and money to the school office or donate directly at [www.justgiving.com/wicklewoodraceforlife](http://www.justgiving.com/wicklewoodraceforlife). Thank you.

### Woodwind Instrument Tuition

Yesterday the children had a demonstration of woodwind instruments in assembly. In September there will be an opportunity to start tuition before or after school on the flute, clarinet or saxophone. Lessons can be arranged in groups or individually. Details will follow next term.

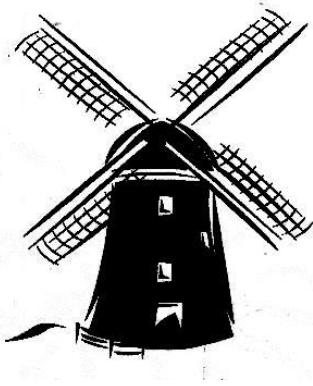

### Children's University

This Summer the Norfolk Children's University is collaborating with the NCFC Study Centre and Immersive Theatres to offer exclusive fun filled Activity Days.

### Film Making and Food Day

Children will get the chance to create their own films using iMovie, bake a delicious dish to take home and most importantly they will earn 5 hours worth of stamps in their passports.

**Planetarium Days**

Children will learn the wonders of the universe by spending 2 hours inside an amazing 3D planetarium.

If anyone is interested in either of these activities, there are a few booking slips in the school office.
