Dear Parents,

We hope you all had a relaxing and enjoyable Easter break.

### Car Park

As you have probably noticed, the car park is almost ready. We have a “grand opening” planned on Tuesday 26<sup>th</sup> April when Suzie Fowler-Watt from Look East will be cutting the ribbon! After that, the new car park should be used for general parking. Fingers crossed that this will alleviate all the parking ‘issues’ on Hackford Road.

Chair of Governors: Mr Peter Meacock

If you didn't already know, Mr. Underhill has been working on setting up a new, vibrant sporting facility in Hingham on the back of being awarded a Sport England Inspired Facilities grant of £75,000 and raising a further £15,000 from the local area. He hopes the leaflet in book bags is informative and useful.

**Uganda link**

We have recently set up a link with a school in Kampala, Uganda (East Africa) with our year 4 class. On Tuesday, Year 4 were visited by Brian and Elspeth Faucett who spend time at the Ugandan school every year. It was a very interesting talk about the life, culture and food of the country and the children asked many very perceptive questions.

Elspeth, in traditional Ugandan dress, talks about some of the fruit and vegetables that Ugandan children would eat.

**Violin**

Massive congratulations to Lani Waddingham- Beeton who has just passed her Violin Grade 2 with Merit, and Isabelle Woolley who has passed her Grade 1 with Merit. Really well done girls!
