Dear Parents,

Year 6 SATs: we are enormously proud of our fabulous year 6 children for the mature way that they approached their SATs tests and gave of their very best. Well done – you are all stars! Thank you too to the rest of the school for their care and consideration of those taking tests and to all our visitors for tip-toeing around in silence! **Don't forget that the rest of the school have their tests next week.**

Holt Hall

Report by Max:

Last week, Lapwing class went to Holt hall- we were all very excited!!! When we got there, we talked about safety then we were shown our fire exits. My favourite part was singing around the camp fire. My favourite part of the camp fire was we could sing any song and we did it as a group. Also, gutting fish! The funny thing was that Rufus cut open the fish's head and took out every part and there were no brains!

Report by Anna:

Last week Lapwing went to Holt Hall and everyone was very excited!!! It was a long travel but it was very enjoyable when everyone was singing on the coach. When we got there we had a fire drill. After that, one of the most exciting things was finding who we were in rooms with! Everyone was happy with the people who they were with.

Wymondham Cluster Extended Schools

Headteacher: Mrs Sheila Greenacre
Chair of Governors: Mr Peter Meacock

One of the things we enjoyed the most was the orienteering. We all decided our partners and off we went! The person who organised the orienteering was Ursula. She asked every teacher to go somewhere in the woods and if we found a teacher (e.g. Miss Pugh) it meant we were near a code.

We also liked building dens and making fires and sitting round a camp fire and not forgetting gutting fish. The most disgusting bit was probably cutting the head off and seeing the insides of the fish.

I also enjoyed hot chocolate and biscuits before bed. Some people didn't end up getting that much sleep after all! Well Miss Pugh, Mrs Joseph and Mrs Cunningham were sitting right outside our dorm!

Recorder Exams

Freya Murty, Georgie White, Madison Kelly and Tilly Meers recently took Associated Board examinations in descant recorder and we are delighted to tell you that they all passed with distinction, Tilly at grade two and Freya, Georgie and Madison at grade one. Many congratulations to them for their hard work and well-deserved success.

100 Club: the April winners are:

1st prize £15 Lesley Robbins

2nd prize £10 Elise Meers

3rd prize £5 Rachael Wolstenholme

Well done to the winners. If anyone would like any more information, please speak to Sue Corfe of the Friends.

Uganda link:

Lapwing Class were privileged this week to welcome Emmanuel, the founder of the school in Kampala that they have been writing to. Emmanuel gave a first-hand account of life at the Ugandan school and of the cultural environment the children are growing up in. It was great to see them doing their dancing and singing (on video) and to compare with the kinds of activities our school provides.

After School: please could parents remember to cancel their place if their child will not be attending due to a waiting list on most days

Greenfinch Class – a Roman experience!

Greenfinch had a brilliant visit to Norwich Castle last week. Whilst there they met members of a Celtic tribe, looked at Roman artefacts, made a torc and met with a Roman soldier. They learnt so much and their behaviour was exemplary.

Biscuit Sale - Thursday 25th May

"Hello there. My name is Jenny Martin and I organise the biscuit and cake sales for the children throughout the year. We are planning on having another sale on Thursday 25th May (the day before we break up for half term). If you would like to be part of this and bake or buy some biscuits to sell, then I would really appreciate it. Last time we had a sale we raised an amazing £150! This was overwhelming.

If you would like to bake (or buy) biscuits and cake then I would really appreciate it if you could let me know at jvivers@hotmail.com and bring your biscuits on the day in a named container to the staff room. These will then be sold during break and if there are any left, after school too. The theme is 'May Munchies' so it is a bit of a 'free for all' sale and I really look forward to seeing your creations!

Thank you very much, Jenny."
