6.9.17

Dear Parents / Carers,

We wish you all a very warm welcome to, or back to, school and hope that you all had an enjoyable Summer break. There were lots of happy, smiling faces today so hopefully your child has had an enjoyable first day in their new class.

The children came in to school today looking incredibly smart and that is the way that I would like it to continue. I appreciate your support with this.

As stated in the school brochure:

CLOTHING AND PERSONAL PROPERTY

It is expected that the children will wear school uniform except on special occasions such as fund-raising days.

The school colours are:

- *grey skirt/trousers,*
- *white/blue shirt,*
- *black shoes,*
- *School sweatshirts and cardigans which incorporate the school badge are available from the school office, or jumper/cardigan, school summer dresses.*
- *You can also purchase book bags and PE Bags*
- *PE kit to consist of T-shirt in the colour of their team the first one of which is given by the school, shorts and tracksuit for cold weather use.*

No jewellery or earrings should be worn to school. Children with pierced ears should wear studs in the interests of safety. Because we have so many children wearing similar items, it is important to label all clothes, and any property brought into school. Please do not bring in valuable items.

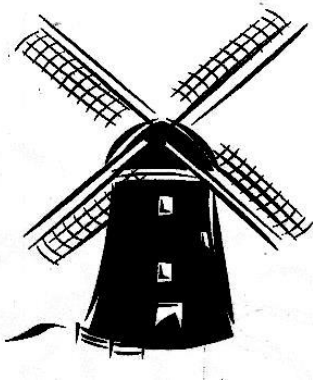

PE and GAMES

In the interests of health and safety children are required to bring a change of clothing for all P.E sessions. Clothing should allow unrestricted movement without being loose. We recommend black or blue shorts and their provided team colour t-shirt. Trainers are excellent for outdoor activities but plimsolls are an inexpensive alternative. Leotards may be worn for P.E and a tracksuit, or long trousers, and a thick sweater for outdoor activities. Again, we request navy blue.

WATER BOTTLES

Every child should have a named water bottle in school (only containing water, not squash / juice) which they can refill during their breaks.

NUTS

Just to remind you all that we are a 'no nuts' school. We now have several children and staff who have allergies, a couple being life threatening. It is therefore incredibly important to ensure that snacks and packed lunches do not contain products which contain nuts. This includes many chocolate based products, ie. Nutella. The children have been made aware of this and there will be posters displayed around the school as a daily reminder.

VALUES BASED EDUCATION MEETING - Tuesday 26th September 2017, 6.30 – 8.00pm, in the school hall

At the end of last term I sent out a letter about this meeting. If you have not let me know whether you can attend please can you do so by Friday 15th September 2017.

MAINTENANCE OF SCHOOL SITE – VACANCY

Due to the retirement of our last maintenance person we now have a vacancy in school for this position. We anticipate that the working hours will be between 5 and 10 hours per week. If you are interested please let myself or the office staff know by Monday 11th September 2017.

Wishing you and your child a happy and successful year at Wicklewood.

Kind regards,

Miss Julia Brooks
