Dear Parents and Carers,

It doesn't seem possible that this is the last newsletter of the first half term. Where have these first few gone?

Hopefully you will have noticed that the school site continues to improve. The large holes in the car park have been filled and the whole area has been raked over. Please can you help us to maintain this by driving slowly.

Polytunnel

Our polytunnel is also nearly complete and will be ready for use after half term. If Miss Brooks can't be found she might just be hiding in there!

School Council

Congratulations to all our new school council representatives. We will be having our first meeting next week and I look forward to their suggestions for how we can improve the school! And before they ask ... 'No, we will not be getting a swimming pool!'

Harvest Festival – Wednesday 4th October 2017

Thank you to everyone that supported this. Hopefully you are all aware that this year our fund raising was led by two of year 6 girls, Tilly Butler and Sienna Long. I am delighted to inform you that with their bake sale, which became bake sales, raised a total of £463 with additional donations making the final figure £613. A huge congratulations to them both.

100 Club Winners (September)

Congratulations to:
£15 Sharon Bird
£10 Allison Woodings
£5 Gareth Amblin

Head lice

A parent has informed us that they have found these in their child's hair. Head lice are very common in young children. They don't have anything to do with dirty hair, and are usually picked up by head-to-head contact. Please check your children's hair and treat straight away to prevent them spreading.

Karate Taster Day – Friday 6th October 2017

I hope that the children came back enthused after their taster last week. The photos speak for themselves!

Share your child's work

Please remember that you are invited to 'drop in' to your child's class and share the work that they have been completing on Wednesday and Friday after school. For those of you who are new to the school you do not have to book this. Just turn up and enjoy their work.

Coming up

Macmillan Coffee morning – Thursday 19th October 2017

The World's Biggest Coffee Morning is Macmillan's biggest fundraising event for people facing cancer. The date for this was Friday 29th September 2017 but owing to our Harvest Festival we are going to hold ours on Thursday 19th October at 9.00a.m.

On this morning please make your way to the school hall where teas and coffees will be waiting for you. Cakes and biscuits need to be provided by you so please bring a bag of goodies!

There will be an opportunity to make donations while you sit, drink, eat and chat!

Thank you for your support.

Friendship week

The week beginning Monday 13th November 2017 is Friendship week. The children will be completing several activities including choosing their Special Adult, the adult who they feel that they can talk to if they have any worries.
