COLLECTIVE WORSHIP IN COMMUNITY and FOUNDATION SCHOOLS (without a religious character)

BACKGROUND TO COLLECTIVE WORSHIP AT Wicklewood Primary School and Nursery

It is a legal requirement that all registered school age pupils take part in an act of worship each day. These acts of worship must be "wholly or mainly of a broadly Christian Character" for the majority of the time. They must also be "appropriate, having regard to the ages, aptitudes and family backgrounds of the pupils".

Families who send their children to this school are in the main 'nominally' Christian; we also have some children from practising Christian families. In addition, there are children who are from religions other than Christianity and some from non-religious backgrounds. We recognise that in asking our children to worship, we have to consider the background that our children come from and it is therefore not the practice of this school to preach to or try to convert children. The faith background of both the staff and the child's family is respected at all times.

The head teacher is responsible (under the School Standards and Framework Act 1998) for arranging the daily collective worship after consulting with the governing body. Parents of a pupil at a community, foundation or voluntary school have a right to withdraw their children from collective worship. If a parent asks for their child to be wholly or partly excused from attending collective worship at the school the school must comply unless the request is withdrawn. Any parent who wishes to exercise this right should consult the headteacher. Teachers may also withdraw from worship.

SOME USEFUL DEFINITIONS

COLLECTIVE WORSHIP

Worship from within a faith tradition has a very specific definition. A school community is not a worshipping community and the law recognises this by requiring "collective" not "corporate" worship. Broadly, worship in school is more appropriately referred to as 'worth-ship'. This might encompass what is offered in a spirit of admiration, celebration and respect to God and/or people of excellence, worthy of honour – and by extension to concepts, principles and conduct which are worthy of celebration as examples of the highest achievements of the human spirit.

Worship defined in this way draws on literature, music, art, drama and other sources of inspiration and reflection for pupils and staff whose religious and cultural backgrounds are of any faith or none. In this way collective worship is inclusive not exclusive.

WORSHIP OF A BROADLY CHRISTIAN CHARACTER

The majority of acts of worship must be of a "broadly Christian character", and those that are must reflect the broad traditions of Christian belief without being denominational. Paragraphs 60-63 of the DFE Circular 1/94 asks schools to define this as according a special status to Jesus Christ.

If we are to be inclusive in our worship at Wicklewood Primary School and Nursery, taking the family backgrounds of the children into consideration, then, when according a special status to Jesus Christ, all pupils, whatever their beliefs, need to be respected. It is therefore appropriate in this school to tell stories of the life of Jesus, but inappropriate for all children to be required to address him in prayer. When prayers are said, children will be invited to show respect but not coerced into joining in.

Many of the characteristics of Christianity are shared by all the faiths. It is important to concentrate on these as well as those specific to Christianity.

VALUES AND AIMS

At Wicklewood Primary School and Nursery, we believe that collective worship both supports and strengthens what we aim to do in every aspect of school life. Our caring ethos, and the value which we place on the development of the whole child – spiritually, morally, socially, culturally and intellectually – is reflected in our worship. We value this special time in the school day for the space it gives children to develop a reflective approach to life and the ability to express their reflections in traditionally religious ways or any other appropriate manner.

Through our collective worship, we aim to provide a caring and supporting environment for children to:

- Become increasingly aware of themselves as individuals and groups within the school and wider community
- Grow in understanding of the feelings of the other people in every day situations and beliefs
- Explore the language which people use to express their feelings
- Deepen their sense of wonder about the world around them
- Grow in confidence when making a presentation to the group or whole school
- Respond freely to religious and/or spiritual stimulus
- Acknowledge diversity and affirm each person's life stance, whether it be religious or not

Worship both reflects and nurtures the ethos of the whole school. It encompasses all aspects of school life and all areas of the curriculum so that every member of staff and every pupil may feel involved. In particular, worship at Wicklewood Primary School and Nursery develops the feeling of belonging to a community, which is essential for personal development and spiritual growth and allows for the celebration of successes of members within our community.

OBJECTIVES

We see school worship as an educational opportunity with clear objectives. We use this time to encourage pupils to:

- Show interest in, and a concern for, members of the school community
- Celebrate special occasions together
- Show concern for the daily happenings in school life, the local community, and the wider world
- Share appreciation of worthwhile projects undertaken by groups within the school
- Explore and review the variety of values, attitudes, standards, manifested in religions and society
- Reflect upon dimensions of human life – the wonderful, beautiful, joyful, heroic, humorous, tragic, sorrowful, solemn....;
- Reflect on the way in which humankind has expressed the deepest spiritual feelings, through the creative and expressive arts, scientific discovery, religious practice, service to God and other people.

PLANNING

In this school we combine our acts of worship with assembly, helping to ensure that worship takes place within a broad educational framework. On Mondays the whole school meets together. On Tuesdays and Thursdays the children either attend a Key Stage assembly or have an in class assembly.

On Wednesdays, there is a singing practice assembly at 9.00am and on Fridays, a celebration assembly at 2.45pm concludes the week.

The headteacher usually leads the whole school worship, with a rota of other staff leading worship on other days. Pupils are encouraged to take an active part through class assemblies and presentations specific to particular groups, and through participation in assemblies led by staff or other adults. There is an overview of themes which guides the topics addressed in worship, along with relevant resources for staff leading assemblies, but we respond flexibly to interests and concerns of the school community as they develop during the year.

We believe that creating the right atmosphere is crucial to the quality of the worship. Therefore, the time is not over-dominated by school administration or moralising. We plan the time so that there is a variety in content and methods, allowing opportunity for quiet personal reflection and worship.

We choose from a range of methods, including:

- Pupils' contributions
- Sacred and secular stories/readings
- Dance/drama
- Prayer/meditation/songs/hymns/music
- Artefacts/natural materials
- Visual aids/focal points
- Dialogue/creative silence
- Visitors

SUCCESS CRITERIA

At this school, we evaluate our acts of worship against some of the following:

- Involvement, enjoyment, attention, reaction of pupils
- The growth of values within the school community
- Positive response to shared experience
- An atmosphere which matches the theme
- A contribution to individual and community sense of well being
- A sense of occasion
- Good order
- Staff affirmation
- A sense of challenge
- A place in the overall plan of the school
- Enrichment of pupils' experience

STAFF NON-CONTACT TIME

We appreciate the need for staff to have some time during the school day set aside for planning and preparation. We also recognise the value of the whole school, including staff, being involved in our school worship. Therefore, staff have a rota of non-contact time during some assemblies. All staff attend the Friday 'Celebration' assembly: this cements the collective nature of our school worship.

SONGS and MUSIC

Song and music are a very powerful means of creating the right atmosphere and unifying and uplifting the school community. We have a bank of music from which to draw, taken from a variety of cultures and types. Likewise with the songs we sing. We are careful with our songs to recognise that there might be some words which some of our children would find offensive to sing. We have changed the words of some songs to make them more inclusive. We select our songs/music carefully to match the theme.

Every week we have a singing practice. During this we take time to consider carefully the words of songs and make this into a reflective experience.

PRAYER

We feel that prayer is a good way of enabling children to focus their thoughts. Nevertheless, pupils should not be required to say or affirm prayers in which they do not believe. We have developed various forms of introductions to our prayers which distances children, but gives them the opportunity to participate if they so desire; e.g., 'And now in a moment of stillness, listen to the words of a well known Christian prayer...' In this way we are able to use prayers from many different traditions.

It is not always necessary to have a prayer and the use of regular moments of silence provides opportunities for some pupils to respond in a personal way if they so wish.

VISITORS

We enjoy the fresh approach which visitors can bring to our school worship, but we require them to adhere to our values. This policy is made known to all visitors so that they may be clear about our approach to worship at Wicklewood Primary School and Nursery. We have particular links with some visitors who lead worship on a regular basis; others may be invited to present specific ideas or information.

We also involve the wider school community by inviting parents and carers to assemblies. This may be to celebrate achievement or to understand what their children have been working on at school. Classes may invite parents and carers to come to their assembly and, in the final week, the parents and carers of our leavers are invited to celebrate the end of their child's career at Wicklewood Primary School and Nursery at the Leavers' Assembly.
