22.3.19

Dear Parents and Carers,

During the last couple of weeks, we have had several visitors in school, and they have all complimented the work ethic, attitude and behaviour of the children. When the children were asked about their thoughts about school, they could only say good things and even when really pushed their only request was that there was more pizza on the menu! The children's understanding and positive attitude towards the school's values was very apparent and therefore when I popped in to Robin Class and saw their book I just had to smile. The front cover says it all!

### Norfolk County Music Festival

What a memorable evening. On Friday 8<sup>th</sup> March 2019 our drumming group participated in the Norfolk County Music Festival. They were amazing and 'wowed' the audience. Their performance was rewarded with the highest grade of 'Outstanding'.

A parent emailed the following,

"I just wanted to say how proud I was of our drumming group the other week at CNS. They all did so well and represented the school to the highest degree... especially as our school's set was so much longer than everyone else's! Having Mr Bewes is such an asset for the school."

Headteacher: Miss Julia Brooks  
 Chair of Governors: Mrs M. Talbot

### More musical talent...

As I sat in my office on Tuesday the most beautiful sound came from the hall. I just had to get up and investigate and that was when I saw Ivy Lambkin (Robin Class) playing the harp. What a talent! Ivy has been learning with her grandmother and practising a lot! I can't wait to listen to her music during the next few years. Well done Ivy!

### Swift Puppet Show

As part of their work on the Great Fire of London in History, and Design and Technology, Swift Class put on a puppet show for parents and carers. They had made puppets with moving parts and these were used to retell the story of the Great Fire. The children got really stuck in and their puppets looked amazing!

### Red Nose Day

As always this was a wonderful day that the children thoroughly enjoyed. Thank you to everyone who donated. We raised a total of £165.49.

### **Another Marathon Runner!**

Iain Sheriffs, dad to Daisy in Kestrel class (Year 5), will be running the London Marathon on the 28th April 2019. He has decided to raise money for charity to make the pain of the training worthwhile! He is collecting for the dementia revolution (Alzheimer's Society), which is the official charity of the London Marathon this year, and has chosen this charity as Daisy's Grandma is currently suffering from Alzheimer's disease, and her Great-Grandma died of this horrible disease, so the charity is close to the family's heart.

He would be very grateful if you could sponsor him and make all the training worthwhile. You can sponsor him online by typing the following link or email [rebeccasheriffs@aol.com](mailto:rebeccasheriffs@aol.com) and who will send you a direct link. Thank you so much for your support.

### **MSA**

We have a couple of vacancies for MSAs. If you are interested in becoming a permanent member of staff, or would like to cover when we are short staffed, please can you contact the office to let them know of your interest. Many thanks.

### **Wednesday and Friday Open Classrooms**

Please remember that you are always welcome to visit your child's class on these days after school to share their learning.

### **Parent Forum**

Just to remind you that the next meeting will be on Tuesday 26<sup>th</sup> March 2019 at 9.00a.m in the school hall.

### **LEGO tokens**

Please keep collecting these!

### **AVIVA Community Grant**

The Wildlife Area development begins! On Thursday we started working with Goldcrest Education to transform our wildlife area. Every class will have their own mini project, one of which will be making a bug house. If you have any unwanted plant pots (terracotta), roof slates or drain pipes please may we have them? Also, any logs that are suitable for sitting on would be much appreciated.

## Coming Up!

### Wymondham Cluster

Learning  
Inclusion  
Nurture
