

Look at the words for these parts of a circus in German – lots of them are very similar to ours.

If you type them into Google Translate, you will be able to click on the loudspeaker icon and find out how they are said.

Notice the words

der/die/das – these are three words for our word “the”. It depends whether the noun is masculine, feminine or neuter.

der = masculine

die = feminine

das = neuter

Can you sort them into the groups?
