## **1. Statement of intent**

At **Wicklewood Primary School and Nursery** we strive to build a strong relationship with parents in order to help create a stimulating learning environment which continues from school to home, providing all pupils with the opportunity to achieve to the best of their ability.

In order to create a welcoming and safe learning environment, the school implements a specifically designed set of rules regarding behaviour and conduct which parents and visitors are expected to act in accordance with.

All staff members have the right to work without fear of violence or abuse; therefore, physical attacks, threatening behaviour, and abusive or insulting language towards staff members, governors, visitors, pupils or other parents may result in individuals being removed from the premises.

This document outlines the manner in which parents are expected to act whilst on school premises, as well as detailing the type of behaviour which will not be tolerated.

The following are examples of inappropriate behaviour which may result in sanctions being issued against an individual:

- 7.6 Any cases of social media use that breach the guidelines of this policy will be reported to the headteacher immediately.

- 7.9 The headteacher may contact the police if necessary.

## **8. Managing inappropriate conduct**

In the instance of inappropriate behaviour, the school will follow a number of procedures, depending on the severity of the situation:

- In the first instance, the parent who is creating a nuisance or disturbance will be asked to leave the premises or will be invited into a separate room to calm down.
- If a parent has been previously barred from the premises, or has exceeded their implied access to the premises and is causing a disturbance, the school will contact the police in order for the individual to be removed from the premises.
- The school will also contact the police in the event of any serious violence and assault, and in the event of any actual harm caused to an individual.
- Instances of inappropriate behaviour will be recorded in writing by all members of staff involved and will be given to the headteacher.
- The headteacher will invite the individual to attend a meeting with the Chair or Vice Chair of Governors in which to discuss their inappropriate behaviour, and explain that further disturbance may result in the individual being barred from the premises.

- If disturbance continues after meeting with the headteacher, or where there is a one-off extreme case of violence, the school has the power to bar the individual from entering the school property for a limited time, subject to review.
