

**WE HAVE ONE BASIC RULE IN OUR SCHOOL. This is that we all act with CARE, COURTESY and CONSIDERATION towards others at all times, and RESPECT our SCHOOL VALUES.**

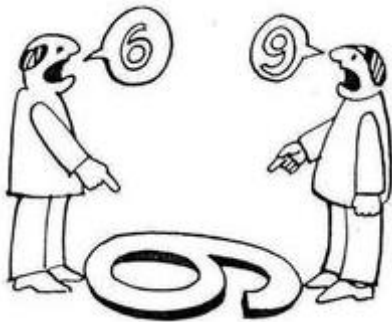

This means;

Both in and outside school, either on our own or as a member of a school group, we must remember that the good name of the school and that of your family, depends upon **how we behave.**

**Be the Best you can be.**

In class we do our best to learn and make it as easy as possible for everyone else to learn and for our teacher to teach. This means being courteous, listening carefully, following instructions, helping others when this is allowed, and being quiet, careful and sensible at all times.

We always try to **understand another person's point of view.**

We **move quietly and sensibly around the school.** This means never running, pushing or shouting, but instead being ready to help others by opening doors, standing aside to let others pass, and helping to carry things.

We are **silent** whenever we are asked to be. We always use a **quiet voice and speak politely** to others. We **NEVER** swear.

We **keep the school clean and tidy** so that it is a pleasant and welcoming place which we can all be proud of. This means putting litter in bins, leaving rooms neat and making sure that our own belongings and school materials are kept in tidy order.

We make sure that we **play and work safely** together.
