June 2020

### **Visits / Food Permission**

Dear Parents,

There are times in each year group's curriculum when it is beneficial to take the children off the school premises within walking distance - for example, to study a habitat. The safety of the children is always our first priority and all activities off school premises are subject to thorough risk assessments.

Also, there are times when a topic may require food to be tasted, for example, during a comparison of bread from around the world.

In order for your child to participate in these activities we need your permission and we would be grateful if you could sign and return the relevant form to [office@wicklewood.norfolk.sch.uk](mailto:office@wicklewood.norfolk.sch.uk) by Friday 3<sup>rd</sup> July 2020 which will allow your child to take part for the whole time that they remain at our school, unless we are notified in writing to the contrary.

Yours sincerely,

Julia Brooks

Headteacher: Miss Julia Brooks  
Chair of Governors: Mrs M. Talbot
