

Robin Class

Robin Class have made a great start to Year 1, settling into new routines and old friendships very quickly. The children have adjusted well to school life in our bubble, remembering to wash and sanitise our hands regularly throughout the day.

The emphasis in the first few weeks was on well-being and PSHE with plenty of opportunities to talk about feelings and emotions, with most children returning to school after an extended break. We have also had extra periods of play to build friendships and aid the transition

from Early Years to Key Stage 1. We have new play equipment to use and the playground gym in our bubble to keep us active between lessons.

Here are some of the things we have been up to...

The interlocking scooters have been a big hit!

Isla and Ellisia getting active on the playground gym equipment.

Samuel and Florence make contact using a paper cup telephone as part of our learning on satellites in Space Week.

Benjamin and Iris play a board game to talk about their emotions.

Ellisia creating an autumn picture using leaf rubbing in art.

Logan and Holly find one more using Numicon.
