Dear Families,

We had a lovely time telling jokes and being funny for money today for a good cause. Celebration assembly was a sea of red clothing and noses!

Gardening club have been busy planting seeds in preparation for our Norfolk Show display and for our Food For Life project. The Easter Egg Trail eggs are all complete and looking very bright. Look out for them around the village when you do the trail!

Don't forget the Greening Picnic from 12:15 and the Wellbeing Cafe at 9am next Friday.

We are interested in hearing from any companies or businesses connected to families who would like to support learning beyond the curriculum. It could be a parent coming in to speak about their job, a visit to a workplace or contributing to a careers day.

If you are interested in becoming a parent governor for the Halcyon Federation, please contact the school office.

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
