Practise reading and spelling the red words

I, the, my, me, put, of, she, he, to, go, no, you

Maths:

We have been ordering, sequencing and exploring the composition of numbers 0-10 in depth. Have a go at creating a 0-10 number line with your child. Can they then use this number line to play a game of '1 more' and '1 less'. E.g. you point to the number 9 on the number line. What is 1 more and 1 less of 9?

We also learned how to play the game dominoes. If you have the game at home, why not have a go at playing it. If not, find a printable version of paper dominoes available with the home learning for you to print, cut out and play with.

Notes to Parents:

- **Mondays mornings – Woodland Wanderers** – please come dressed in suitable clothing for the session with our Woodland Wanderers Lead, Sara Starr.
