Daily Mile

This week's winner of the Daily Mile trophy is Robin class!

Eco Champions

This week's winner of the Eco Elephant is Wren class!

Dear Families, It has been another busy week at school and a much warmer one with the return of some fine weather helping our classes practise for Sports Day. Please remember to supply hats and sun cream as long as the weather stays warm and sunny.

During the INSET day before Easter, our staff received training from the renowned educationalist, Shirley Clarke. Following this, our drive to improve outcomes for all children through high standards of teaching and learning will be focused on helping pupils with their self-efficacy and retention of skills and knowledge. They are also teaching pupils to be good 'talk partners'; this helps the children to assess and support each other's learning and helps their developing oracy.

This week, Year 3 visited Colchester Castle to learn more about Roman Britain, Boudicca and the Celts and Year 5 have been enjoying all sorts of adventures on their residential at Bawdsey Manor. Our Year 6 class worked incredibly hard to complete their SATs and the other year groups have been taking assessments to help with their transition to their next year group and for their end-of-year reports.

We're looking forward to next Friday's Sports Day. Hopefully the weather will be kind all day!

LOVE TRUST COURAGE FORGIVENESS

Please see the information below about some of the support available from Sensi in Mulbarton who have worked with several of our pupils. They provide training and support groups for families in several areas related to SEND, wellbeing and mental health.

Friends' School Lottery

Congratulations to Katy Johnson, Aidan La Grange's mum who was the highest bidder for the 100 Club guaranteed parking space! Katy will have use of the space until Easter. Each term we draw 4 balls for the following prizes; £60, £25, £15 plus the parking space. For a chance to win please sign up here:

https://docs.google.com/forms/d/e/1FAIpQLSfzD0Ra5bRSqZvtqCTa8xLVMK82EMG_vkiVAQ2vDeq9qimugw/viewform

All profits go to the Friends of Wicklewood School.

SenSi FEEDBACK

THE JUST RIGHT STATE PROGRAMME FOR PARENTS AND CARERS

Did you find the JRS group helpful?

“Extremely, it has made me open my mind and given me skills to help myself.”

How do you hope to change your practice as a result of this group?

“Think of my own well-being more; take time out to revitalise and relax.”

What was most useful?

“Massage was amazing; reminders of how self care can affect our close relationships; listening to others; loved the hot towels to relax at the beginning; small group was nice.”

Would you recommend this group to others?

“Definitely yes - putting yourself first and not feeling guilty is essential to healthy parenting.”

The Just Right State Parent's Programme

"The Just Right State" is a programme designed to support parents with the mammoth role of parenting. Do you ever have days where you feel like parenting has not turned out quite how you imagined it to be? You are not alone!

JRS works to empower parents to really think about their needs, and why it's important to address these needs in order to support our children. Not only that, but why addressing our needs actually makes us healthier and happier. Remember the oxygen mask rule when travelling on a plane, if you run out of oxygen you can't help your child.

JRS is run by our Lifestyle Medic and Coach and our Massage/Holistic Therapist. The programme equips parents with all the theory behind why self care is not just desirable but essential part. It also has practical elements which can be used daily to implement at home and used either for yourself or to use with your child.

The programme is also adaptable to the needs of the group and draws on the levels of expertise of the team to give a tailor made approach ensuring that each group member has their individual needs considered and supported. The group is a safe and open space, run by people who are accepting and highly trained.

This course can add years of quality to your life and make a real practical difference to your wellbeing day to day.
