

Wren Class Home Learning

21.06.24

Essential Skills:

- Reading – 5 times per week. Please focus on using the picture and context of a book to read unfamiliar words. Remember our phonics is only one way in which we can read words. The pictures, context and knowing words by sight are all crucial in helping us to be readers.
- **Recognising Set 2 sounds** and continuing to revise Set 1.
-
- Practise reading and spelling the new red words of the week, and previous words of the week **people**, I, the, my, me, put, of, she, he, to, go, no, you, said, be, are, all, was, some, come, for, like
- Writing numbers 0-10. Some children might like to extend this to numbers 11-20.

Practise reading and spelling the red words

I, the, my, me, put, of, she, he, to, go, no, you, said, be, are, all, was, some, come, for, like, people.

Princess and the Pea – Talk for Writing

This week we have been practising to retell the story using actions and story map. This story has been a bit more tricky for us to recall, but the children have done a super job! We examined the setting of the castle in the story when the weather is stormy. We used a picture to inspire descriptive words and then used these to write sentences about the setting in our journals. Wren class have been working so hard on their writing skills this half-term. We are all so impressed with the children's efforts.

Maths:

This week in Maths we sung songs to help us recite our number bonds to 5 and 10. We have used practical resources to help embed our knowledge of number facts within 5 and 10. Keep practising those number bonds at home everyone!

It would also be fantastic if the children could focus on writing numbers 0-10 correctly as some children still reverse some of these numbers. The numerals 5, 6, 7 and 9 seem to be particularly problematic.

Community Day and Summer Fete:

Thank you to all those parents/carers who were able to join us for Community Day. We have a wonderful new classroom display based around the picture book 'Julian is a Mermaid', which celebrates our class community and their families. If you haven't seen the display, please do pop into class to take a look!

The Summer Fete was lots of fun and we look forward to hearing from The Friends of Wicklewood to know how much money was raised. Thank you everyone!

Next week

Swimming – Thursday 27th June. Group 3 will have their first session swimming. Mrs. Knights will join Mrs Vincent in accompanying the children to their first session. Please remember swimming kit on this day. The rest of the class will continue to enjoy our 'Games' unit of work in PE.

Following week

Transition – Monday 1st, Tuesday 2nd and Wednesday 3rd. The children will have the opportunity spend time in their new classes (Jay Class or Starling Class) with their new teachers.

Best wishes for a happy weekend everyone.

Mr. Garlinge & The Reception Team.
