## Eco Champions

This week's winner of the Eco Elephant is Kestrel Class!

Dear Families,

What an exciting week at Wicklewood! For the first time, Wicklewood School had a tent at the Norfolk Show and took pupils there to perform, explore and display their amazing projects.

Our Gardening Club, run by Mrs Bush and Mrs Stone, have been working towards the School Garden Competition since Spring term and their efforts won GOLD and SILVER! The theme was 'Bee Friendly' which would highlight the role that bees play in our gardens and 'Remembering D-Day' which Gardening Club achieved by thinking about the 'Dig for Victory' campaign. Our incredible gardeners created a wheelbarrow display and a school garden, both pictured above. We couldn't be more proud of their hard work, which definitely paid off as they received gold for Wheelbarrow display and silver for their School Garden.

Mr Bewes took our amazing musicians and they performed throughout the day. The audience were captivated by their singing, drumming and musical skills. We have booked the coaches and tent for next year's show and we're already looking forward to it.

On Thursday this week, the Year 6s went to Eaton Vale for their last residential with Wicklewood. They had a lot of fun grass-sledging, cooking on a fire, kayaking and much more. I am sure they will sleep well tonight!

Next week is transition week, the children will go to their new classes on Monday morning and will be welcomed by their new teacher. If you or child has any worries please speak to the class teacher or email the office. We will support the children with their transition and offer extra support where needed.

## Wellbeing Drop-in Session

Mrs Burr Wilby and Mrs Wolstenholme will be hosting a wellbeing drop-in session on Friday 12th July at 9am. Please feel free to drop in, have a coffee, biscuits and chat.
