LOVE TRUST COURAGE FORGIVENESS

The top class for Reading Star this week is:
Lapwing Class

The top class for the Daily Mile this week is:
Lapwing Class

Every Day Matters! The class with the highest attendance this week is: Starling Class

Dear Families,

What a busy week! Violin taster sessions began this week and were really successful. They will continue on Wednesday mornings.

Thank you for your continued patience with the new Compass MIS as we move across. Office and support staff have been working incredibly hard to ensure clubs, extended school and meals are booked in.

We are holding a Macmillan Coffee Morning next Friday at 9am, please join us to raise money for such a fantastic charity!

Student Councils

Last Friday in assembly, we awarded council badges to all of our newly-appointed student councillors. We now have a group of librarians managing stock and keeping the library tidy as well as recommending books and supporting pupils with their reading. Our Diversity Council will meet to ensure all of our families, backgrounds and pupils are represented across the curriculum and school. The Eco Council will support our efforts to be more sustainable as well as assisting with the school grounds. The Sports Council will support play at break times, help to ensure equipment is safe and up-to-date and help with Sports Days and clubs. Arts Council will be ensuring that the school takes part in a range of dance, music, art and drama activities across the year and the curriculum and the School Council will support and add their voices to decisions affecting the whole school. If any parents wish to support the councils with their own experience or expertise, please email the Office. We will be looking for visitors to support with assemblies, trips and talks to classes or councils.

Mrs Burr Wilby will be absent from school for a few weeks on planned medical leave. We will be supported by colleagues from across the Halcyon Federation until her return to work.

Dates for your diary:

Tue 24/9-Year 4 Reading Cafe 2:30pm
Wed 25/9-Year 2 Time & Tide Museum
Wed 25/9-Year R Phonics Cafe 9am

Trips & Visits

The cost of trips that we have to pass on to families has increased this year entirely because of the rising expense of coach hire. Trips and visits are an important part of our curriculum offer but we will always try to keep the cost down. We have some exciting innovations planned for the future as part of the Halcyon Federation that will make this much easier.

Our Year 6 teaching assistant, Mrs Edmonds and her family took part in a sponsored run, cycle and walk last weekend to help raise funds for the charities detailed below. They have so far helped to raise an amazing £10,000!

Wymondham Sports Bar Charity Fundraiser
Saturday 14th September 2024

Wymondham Sports are proud to support our close friends Steve, Val, Justine and James in fundraising for the much-needed defibrillator, with any remaining fundraising going towards Nelson's Journey.

The family have put these charities forward and have written a few words to explain, why they are so close to their hearts

Justine and James (Rian's Parents)

Rian was born with a very complex heart condition which will require a lifetime of surgery and monitoring. In January he had his pacemaker surgery and recovered well, he will now have this for life and future surgeries will take place. The pacemaker monitors Rian's heart rate constantly and in May his heart rate went extremely high. This meant a trip to Great Ormond Street and some difficult conversations about how dangerous things could be for Rian. If this episode was any longer this could have put him in a life-threatening situation. This came with no warning and could happen again. With such a complex heart condition things often change, and unfortunately Justine and James after lots of heart-breaking conversation with GOSH feel now is the time to purchase a defibrillator to have with Rian. These are not funded by the NHS and the cost can be around £1200. This has obviously been upsetting to hear and a harsh reminder of his condition.

We are truly touched that the Wymondham Sports Bar are happy to help us raise some funds, and a big thank you to Steve and Val for putting Rian's funds forward. We hope as many as you as possible can get involved

Steve and Val (Lisa's Parents)

As some of you will know, we lost our daughter Lisa in February and left two daughters aged 11 and 8 and they are currently being supported by Nelson's Journey which is an amazing charity to help children and young adults, Lisa had bowel cancer which spread to her liver. She was told in December 2023 that her chemotherapy didn't help so she only had 3 months to live.

Wymondham Sports Bar have decided in order to raise these funds people can get involved in one of the following, a sponsored run, cycle or walk, so you can choose one of the following

Half marathon run

Half marathon cycle

10K walk

If you are unable to complete any of the above, there's still plenty of ways to get involved. So please don't hesitate to get in touch. To sign up for either of the fundraisers or get involved contact Ryan on 07901973593 or pop into the Wymondham sports bar. £5 entry with 100% of the proceeds going to the designated charities.

Love, Trust, Courage, Forgiveness

Wicklewood Primary School and Nursery

Reception places for September 2025

If you require a Reception space for September 2025, come and have a look at our wonderful school!

Monday 21st October 5:30 - 6:30pm - Open Evening, Presentation and Tour

Tuesday 22nd October 9:30 - 10:30am - Tour
