Dear Families,

It's been another busy week of trips and visits as Years 3 and 5 have been at Norwich Castle and Reception and Year 1 walked to the local allotments. Year 3 found out about how people in the Stone to Iron Ages lived and survived while Year 5 looked at the legacy of ancient civilisations on modern times.

As a school, we all visited All Saints church on Friday afternoon to hear Reverend Tori lead us in thanks for the Harvest. Nursery contributed art work to decorate the church and pupils sang beautifully.

Thank you to everyone for their amazing generosity contributing food for the Harvest Festival. Everything collected will be donated to local community food bank projects in Hingham and Wymondham.

On Thursday 10th, we will have a non-uniform day for #HelloYellow and World Mental Health Day-pupils are asked to wear something yellow, even if it just a small part of their clothing for the day. If families wish to contribute a small amount of cash towards the Young Minds charity, please send it with your child to their class teacher.

Some exciting news! You will have noticed the electric charging point in the car park-this will be for the two minibuses being leased by the Halcyon Federation which will be arriving after half-term. We will use the minibuses for trips and visits and sporting activities. We hope that they will reduce the cost of trips and allow us to be more flexible for all sorts of other activities involving student councils, clubs, etc.

Why wear yellow?

Wear yellow this World Mental Health Day and stand together for children's mental health.

Lots of us struggle with our feelings sometimes and when this happens it's tough. It's important to know that there are people around us who can help and we're not the only ones going through this.

We're not saying you have to dress up like Pikachu, but just a touch of yellow somewhere can show children like you that they're not alone. You could even brighten up your classrooms or school corridors with yellow too.

Wear yellow with thousands of other schools on 10th October and raise money to show young people that they're not alone with their mental health. Because we stand brighter, together.
