Dear Families,
It's been lovely to be back at school this week despite the grey weather. Jay and Starling classes enjoyed a fascinating trip to the Bridewell Museum in Norwich to look at toys and objects from the past. Next week, Key Stage 2 will be attending a Remembrance service at All Saints church and laying a wreath at the Wicklewood War Memorial.

It is also Anti-bullying week next week which we mark as part of our school-wide PSHÉ topic of 'Celebrating Difference'. To mark this, we're inviting pupils to wear odd socks on Tuesday 12th with their uniform. Next Friday 15th is Children in Need Day and it will be a non-uniform day. If you are able to make a small contribution towards Children in Need, there will be a collection in each class or in the school office.

Eco Council today launched 'Cut Your Carbon', a set of suggestions for how everyone in the school and community can help reduce emissions and support the environment. More details below.

Finally, if you or a relative has any time to spare, we are always on the lookout for people to hear children reading. Please contact the school office if you can help.

SUPER CROSS-COUNTRY RUNNERS!

On 23rd October, Mrs Thacker and Mrs Crawford took 22 children to the school cross-country competition at Langley High School. The children who were chosen were a mix of year 3,4,5 and 6 children.

We are pleased to report that the team finished 12th out of 25 schools in the south Norfolk area. However, more importantly than that the children all showed amazing determination and self-belief in finishing the course. They all supported each other wonderfully and were a credit to the school.

A special mention to Reeva and Holly who have also achieved a place in the Norfolk County Finals in November.

WE'RE TAKING PART IN

CUT YOUR CARBON

Throughout November, we're challenging pupils to complete 6 small carbon-cutting activities at home. These actions will reduce your emissions and benefit our planet.

To find out how you can get involved, speak to a member of the school's Eco-Committee or scan the QR code below.
