

LAPWING CLASS SPRING 1

LAPWING CLASS HAS HAD A FANTASTIC START TO THE YEAR. WE HAD SO MUCH FUN LEARNING ABOUT THE ANCIENT EGYPTIANS, WHERE FOOD COMES FROM AND HOW WE HEAR SOUND. WE HAVE ALSO USED OUR CLASS RULES TO ENSURE THAT WE HAVE A GREAT ENVIRONMENT FOR LEARNING.

EVAPORATION EXPERIMENT - SCIENCE

ORIENTEERING - PE

STORYTELLING - ART

First Half-Term Learning:

This term, we will be reading *The Last Bear* by Hannah Gold for our class text. We loved reading *The Ancient Egypt Sleepover* last term, and hope this one is just as enjoyable.

In English, we will be focussing on building character descriptions in our writing.

In maths, we will be completing our work on multiplications and moving onto fractions and time.

In Geography, we will be finding out what life is like in the Alps.

In Science, we will be exploring simple circuits and using these to help us work out what materials are insulators or conductors.

In PE, our topic will be gymnastics, with a focus on balancing, jumping and rolling.

In Art, we will be creating our own still life pieces.

IMPORTANT

- PE will still be on Thursdays.
- Spellings will be tested on a Friday and reading diaries checked on a Monday.

DATES

- Monday 6th January - INSET (School closed)
- Tuesday 21st January - Maths Cafe
- Tuesday 11th February - INSET (School closed)
