

# Friday 25<sup>th</sup> October Home Learning

## English Home Learning

This week the children have been learning about Black History Month and writing their own poetry. They've finished their stories which I am now marking. Please have a go at the pages below which are good practice for future pieces of writing:

## Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊. I have also included a reading comprehension activity on The Battle of Britain for those who would like to practise some reading and writing of answers. Please download it below.

## Spelling

This week, the children are continuing to focus tricky challenge words. I've listed the 10 below that they have learnt with Mrs Thurgood.

This week's words				
apparent	committee	curiosity	guarantee	lightning
parliament	recommend	soldier	vegetable	especially

## Maths Home Learning

The main focus this week has been on finding common multiples and the lowest common multiple of two or more numbers. This has involved ensuring they know their multiplication and division facts.

Have a lovely half term!

Miss Carr 😊
