

Friday 24th January Home Learning

English Home Learning

This week, we have focused our work around exploring characterisation techniques. Within this, we have focused on the use of hyphens for punctuating compound adjectives. Please have a go at:

CGP KS2 English GPS Book – page 51 (hyphens)

pages 94 and 95 (confusing nouns and verbs)

Reading

Please continue to add to your personal reading miles by reading at least four times a week and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊.

Spelling

This week, the focus is words which can be nouns and verbs. I've listed the 10 below that they have been learning with Mrs Thurgood. Some children have separate spellings. These can be downloaded below.

This week's words				
produce	impact	transport	silence	permit
object	contest	subject	increase	freeze

Maths Home Learning

The main focus this week has centred on adding and subtracting fractions. There are several pages of this in both maths books so I have put them all but you may need to break them up as there is a lot to do!

CGP KS2 Maths Targeted Question Book – pages 20 and 21 (adding and subtracting fractions)

KS2 Maths Arithmetic Book – pages 35, 36, 37, 38 and 39.

Have a great weekend!

Miss Carr 😊
