In class we have been looking at a short animation called The Clocktower. We have thought about the main character and how she was feeling. At the end of the animation she returns to her place and role within the clocktower. Have a think about what might happen next. Might she invite others to the Clocktower to visit? Does she remain there alone forever? Does she ever venture out again? What else might happen? Tell me the next chapter of her story. You could tell it orally to someone at home, draw it out like an animation or write your script down.

Maths

This week we have been looking at fractions in class. Can you go on a fractions hunt at home? Find ways to represent $\frac{1}{2}$ or a $\frac{1}{4}$ of things. You could draw them or take photos. Use your imagination, get creative.

Class reward: - The class have been working hard and following our school rules and values in order to earn class marbles. They have filled their marble jar up and therefore this week have earned a class reward which is occur on Wednesday afternoon. They voted to take part in an Escape room style puzzle adventure.
