

Friday 14th March Home Learning

English Home Learning

This week, the children have been learning and analysing a non-fiction information text. Within it, they have started to investigate grammar such as passive voice and the use of superlatives. They have also been investigating key layout features. This week the home-learning is about Standard English which is important to use in non-fiction to make writing clear.

Reading

Please continue to add to your personal reading miles by reading at least four times a week and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊 . We are improving – keep it up!

Spelling

This week, the focus was on unstressed vowel sounds in words. I've listed the 10 below that you have been learning with Mrs Thurgood. Some children have separate spellings given which have been given to you individually.

| This week's words | | | | |
|-------------------|-------------|------------|-----------|-------------|
| explanatory | environment | secretary | jewellery | poisonous |
| company | desperate | definitely | reference | temperature |

Maths Home Learning

The main focus this week has been investigating and calculating angles in straight lines, round a point and in shapes (triangles, quadrilaterals and polygons) Please have a go at some or all of the pages below:
