

7TH MARCH, 2025

# WICKLEWOOD WEEKLY

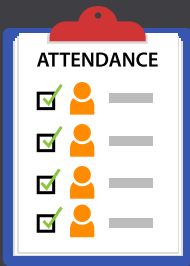

## WORLD BOOK DAY

The pupils had a fabulous day on Thursday for World Book Day and for once, we were blessed with sunshine. Kate Read led Early Years and KS1 with printing and collage using inspiration from her own beautiful artwork and illustration. Dr Mandy Hartley led a range of workshops across KS2-pupils learnt all about Mary Anning, DNA extraction and Japanese fishing! Thank you to everyone who helped with all of the Hermiones, Wallies and Billionaire Boys and contributed to a lovely day celebrating reading.

## NEWS

- Miss Tipping remains absent from school with illness. Mr Garlinge and Miss Ding will continue to teach Jay class in the interim. We apologise for this upheaval which has been unavoidable.
- When booking after-school clubs, please make sure you book all the weeks you require as this does not always automatically repeat.
- Mrs Fox and colleagues from Drake Primary attended the CAPE (Climate Adapted Pathways for Education) Schools event at the Natural History Museum this week, learning about how to continue their work across both schools making the Federation climate-wise.
- We have been working hard to look at ways to make Wicklewood much more sustainable by utilising our solar panels better, improving our electricity supply and replacing our heating and oil tanks with greener energy solutions. We will keep you updated with our progress.
- School Council will be continuing their work on achieving the Food For Life Bronze Award this year having already met the caterers at Norse.

Greenfinch Class won the Attendance prize this week, Swift won the Reading Stars trophy the Daily Mile competition
