

Wicklewood Weekly

Thank you to everyone who has been able to attend one of the Humanae art cafes so far this term. It has been brilliant to see parents and carers supporting their children with their portrait and identity work and improving their drawing skills.

This week there have been some excellent design and technology projects going on. I loved watching Year 5 exploring bridge designs using spaghetti and Year 2 making healthy wraps in food technology.

Well done to Starling class who managed 100% attendance last week. An amazing effort!

School Uniform

Please ensure your child comes to school in the correct school uniform for the Summer Term.

Details are available on the school website here:

PE kit or Forest School clothes can be worn as timetabled. Year 6 hoodies can be worn on PE days or for Forest School. Please use school shorts or PE shorts as appropriate. We always keep a stock of pre-loved uniform in the Office. Thank you!

Well done to Starling Class who have continued to win the Reading Stars trophy several weeks in a row!
