

# Wicklewood Weekly

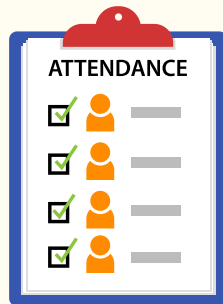

Dear Families,

We hope you all had a wonderful break over half-term. Thank you for the positive comments about Sports Day. The pupils seemed to enjoy all of the activities and there was a really nice mixture of competition and enjoyment. Thank you to everyone who was able to attend and everyone who bought paints for Year 6's Colour Run, which they absolutely loved. I'd like to say a massive thank you to Mrs Thacker for her excellent organisation of the day!

We received a brand new set of books for the school library this week because of the tokens earned in the Scholastic Book Fair back in February. Thank you to everyone who bought anything from the Fair as you have contributed even more books for the pupils! Our amazing librarian Mrs Crawford is always happy to take in good-quality books to help stock the library or replace old or worn books.

- Please note that the Nursery entrance will now be used all of the time for drop-off and pick-up for Wraparound (Breakfast and After-school) for all ages of pupils.
- If there is anyone with a wheeled clothes rail who would like to gift it to school, please tell the office staff as we would like a better way of storing and displaying lost property.
- If you or anyone you know is a keen gardener and is happy to volunteer some occasional time to help maintain our school grounds or form a volunteer group, please let the school office staff know.
- Year 4 and Year 1 will be completing their Multiplication Tables Check and Phonics Screening Check next week. These are important assessments on their progress towards their next steps in their key stages.

Well done to Starling Class who continue to lead the way in the Reading Stars! Well done also to Kingfisher class for their 97% attendance this week and Greenfinch class for their sterling efforts in the Daily Mile!
