

10th October, 2025

Wicklewood Weekly

Dear Families,

Thank you for your support with our Wear Yellow Day to contribute to Mental Health Day. In class and assembly we spoke about the importance of looking after our own and others' mental wellbeing and strategies and resources that can help.

There will be some disruption to the car park and main gate this week as our new Early Years play equipment is installed in the Walnut Tree Garden, please be patient and walk or drive carefully.

Thank you for all of the generous food donations for Harvest. We will be presenting them at the church service on Monday with the pupils then handing them on to the local community to be distributed to families in need.

It was lovely to see families back in school at our reading and phonics cafes which started up again this week. There will be many more opportunities to see your child in class throughout the term and year going forwards.

Mark your Calendar

Dates for your diary

14/10/25-Year 3 reading cafe 2:30

14/10/25-Year 1 reading cafe 2:45

16/10/25-Year 5 reading cafe 2:30

Did you know?

As part of our main school offer, we use sensory circuits and visual timetables in all classrooms.

Sensory circuits are a short set of physical activities used to help all pupils get ready for learning in a sequence of alerting, organising and calming movements.

Visual timetables allow all our pupils to predict and organise their days, helping them to adjust and be ready to learn
