# Wicklewood Weekly

Dear Families,

Please see the appeals for help from the Friends in the pages below. The Friends do excellent work fundraising for the school to help give all pupils access to a range of experiences and resources but they rely on volunteers to spread the work around. If you can help, please get in touch. Thank you!

You may have seen our new Deputy Head and SENDCo on the gate this week as they were visiting school. Mrs Grant and Mr Woolcott have been meeting staff and pupils and will be getting ready for their starts in January.

Please be careful in the car park. Norfolk County Council will maintain the surface by filling in potholes soon but we know more cars appear when the weather is inclement and this can degrade the ground further. Please also ensure your child has the correct clothing for the weather. We will always try to make sure pupils are outside playing even when there is rain and it really helps if they have remembered their coats!

Kestrel and Kingfisher classes have been providing their ideas for the renovation of the area outside Years 5 and 6. Our Arts Lead, Amy Robbie as well as Mr Fox are working to make an exciting space for the radio room as well as the library extension. Watch this space!

# WE NEED YOU!

To help for 30min at our Christmas Market.

The Friends are only a team of 5 running the Christmas Market so we rely on your help. If you can volunteer for only 30 minutes on one of our stalls, it would make a huge difference.

Sign-up sheet will be at the cake sale or contact Alice 07718990928

## Does your child want to make some extra pocket money?

We have games stalls available at our Christmas Market for only £5 pitch fee. All the money they make will be theirs to keep.

The Friends also have a number of games ready to set up that you can borrow. All you will need to do is buy the prizes.

At the moment we only have 2 child-let games stalls at the market so get in touch if your little entrepreneur would like to run one.
