

GREENFINCH CLASS SPRING 1

**WELCOME BACK AFTER THE CHRISTMAS BREAK.
YEAR 3 HAVE SETTLED IN BRILLIANTLY THROUGHOUT THE AUTUMN TERM AND WE ARE
READY TO HIT THE GROUND RUNNING IN SPRING WITH STORY WRITING AND
NEW TOPICS IN GEOGRAPHY AND SCIENCE.**

Spring 1:

English this half term is based on writing a story about travelling through a portal to another world. We will be developing our descriptive writing to create a strong setting. We will learn about using similes and varied sentence structure.

Maths is all about multiplication and division this half term. We will be learning multiplication facts and the 4 and 8 times tables before practising how to complete one and two-digit calculations with multiplication and division.

Our science for the Spring term is about animals, including humans. We will be learning about nutrition, skeletons and muscles.

We will be creating branching databases in computing. We will plan a series of questions that lead users to the correct answer.

In R.E. we will be learning about morality and how we understand what is the right thing to do.

Our design and technology project for the half term will be to create a vegetable pastry dish using seasonal vegetables. We will be learning about seasonality in food and will design and create our own dishes.

IMPORTANT

- PE days will continue to be on Thursdays.
- The Banham Zoo trip has been booked for Friday 27th February. The trip letter will be sent out in the near future.
- We will change reading books and check reading records on Thursdays.
