# Wicklewood Weekly

Our pupil councils have restarted this week and are already busy discussing a wide range of areas across school life. These include our School Council, Diversity Council, Eco Council, Sports Council, as well as our Prefects, all working together to represent pupil voice and support ongoing school improvement.

Year 3 have continued to develop their skills on the chime bars this week with our music teacher, Mr B.

This coming week is the charity Place2Be's Children's Mental Health Week. We will be thinking about the theme of 'Belonging' in assemblies and PSHE and encouraging all of our pupils to feel a sense of belonging at home and at school.

Next week is also Safer Internet Day which we will be looking at with the pupils in assembly and class as part of our Computing and PSHE curriculum. Parents can find advice and support here:

## Breakfast and After School Clubs

Recently a few children have turned up without a booking, please note that if your child is not booked in and we do not have places, we will have to turn you away. To avoid disappointment please remember to book any sessions required for ASC, BKF and clubs via the Arbor App.

## Parent Consultations

We are pleased to announce that bookings for parent consultations will be still live via Arbor. This provides an important opportunity to discuss your child's progress and development with their teacher. We encourage parents to log in to their Arbor account promptly to secure a suitable appointment, as availability may be limited.

### HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

# ONLINE CONTENT

## 10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

### MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

### CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

### CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

### CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

### SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

### LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

### ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

### LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

### KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

### SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
