

GREENFINCH CLASS SPRING 2

THE FIRST HALF OF SPRING HAS SEEN SOME EXCELLENT PROGRESS IN WRITING WITH THE CHILDREN WRITING FANTASTIC DESCRIPTIVE STORIES. WE ARE LOOKING FORWARD TO THE BANHAM ZOO TRIP THIS HALF TERM AND WILL BE USING THAT TO KICKSTART OUR LEARNING ABOUT SKELETONS AND MUSCLES.

Spring 2:

We will be writing an information text this half term. This will involve learning how to organise our writing into sections and we will be presenting facts and conveying information in a concise, informative way.

Maths starts with fractions, we will be comparing fractions, finding fractions of quantities and finding equivalent fractions. We will also be working on telling the time to the nearest five minutes.

In Science we are going to continue our work on animals by looking at different animal groups. We will investigate mammals and create an animal fact file.

We will be programming in computing this half term. We will introduce the desktop version of Scratch and will be coding sprites to create a musical instrument.

R.E. will be focussed on Islam including the Qur'an, Allah and comparing with other religions.

For art this half term we are looking at creating images through colour and shape. We will study the work of Matisse and his technique of painting with scissors.

IMPORTANT

- PE days will continue to be on Thursdays.
- The Banha zoo trip is on the first week back. Friday 27th February.
- We will change reading books and check reading records on Thursdays.
