

JAY CLASS SPRING 2

Welcome back to year 1! We can't believe that we're already moving into Spring 2, having settled into year 1 so beautifully.

In English this half term, our model text is a Losing plot called The Lighthouse Keeper's Lunch. We will be learning to retell this story using actions and a story map, please get involved and ask your child to tell you all about the story at home! We will continue to look at the grammar and punctuation that we use, as well as using adjectives to describe. At the end of the half term, the children will become authors to innovate this story and make it their own.

In maths, we will start to look at numbers to 50 before moving onto addition and subtraction within 20. Any opportunities at home to continue practicing counting up to 50, and writing these numbers will really help embed this learning.

Our science topic will continue to explore everyday materials, however we will apply this knowledge by investigating how suitable different materials are for specific purposes. Our history topic will look at how we are making history. Our PSHE topic is 'Healthy Me', where we will explore how to keep ourselves healthy and being safe.

NOTICE: WOODLAND WANDERERS IS MOVING TO A THURSDAY MORNING. PLEASE COULD YOU SEND IN EXTRA CLOTHING IN CASE YOUR CHILD GETS THEIR CLOTHING WET.

DATES FOR YOUR DIARY

24th and 25th Feb - Parents Evening
5th March - World Book Day
27th March - Last day of term

NOTICES AND REMINDERS

- Can all school clothes, bottles and items be named - Lots go missing and get left in the classroom over the half terms so putting names in really helps this!
- Forest school will be on a Thursday morning, so make sure children are bringing in coats / puddle suits to wear, and wearing suitable clothing for the day.
- PE will continue to be on a Tuesday.
- Reading records will be checked on a Wednesday - Try to get as many reads as you can, aim for at least 5!
