

LAPWING CLASS SPRING 2

LAPWING CLASS HAVE BEEN INCREDIBLY BUSY THIS TERM! WE'VE HAD LOTS OF FUN EXPLORING STILL LIFE DRAWING IN ART, CAREFULLY OBSERVING SHAPES, SHADING AND DETAIL TO CREATE OUR OWN FANTASTIC PIECES. WE EVEN BECAME TRAVEL AGENTS, DESIGNING POWERPOINT PRESENTATIONS ALL ABOUT THE ALPS. TO TOP IT OFF, WE TURNED INTO MINI ELECTRICIANS, TESTING CIRCUITS AND DISCOVERING HOW ELECTRICITY WORKS THROUGH HANDS-ON EXPERIMENTS.

TESTING CIRCUITS IN SCIENCE

SHAPE POSES IN GYMNASTICS

ART - STILL LIFE

Second Half-Term Learning:

This term, we will be continuing to read *The Last Bear* by Hannah Gold, which we have been enjoying.

In English, we will be focussing on explanation texts and using checklists to support our writing.

In Maths, we will be continuing to work on fractions. Next, we will be moving on to decimals.

In Geography, we will be moving from our exploration of The Alps to Volcanoes.

In Science, we will be looking at the digestive system and carrying out an experiment on tooth decay.

In P.E, our topic will be dodge ball with a focus on catching and throwing.

In computing, we will be exploring data.

In D&T, we will be using our knowledge of electricity from Science to help us make torches.

IMPORTANT

- PE will still be on Thursday
- Spellings will be tested on a Friday and reading diaries checked on a Monday.
- Multiplication checks will be carried out every Friday
- Residential Trip 25th March - 27th March
