

# LAPWING CLASS SUMMER 1

LAPWING CLASS HAVE HAD ANOTHER BUSY TERM. WE HAVE FINISHED OUR MATHS MODULES ON FRACTIONS AND DECIMALS, CREATED EXPLANATION TEXTS ON NEARLY EXTINCT ANIMALS, CARRIED OUT AN EXPERIMENT ON TOOTH DECAY AND LEARNT ABOUT VOLCANOES. WE ALSO HAD LOTS OF FUN ON OUR RESIDENTIAL TRIP TO BAWDSEY.

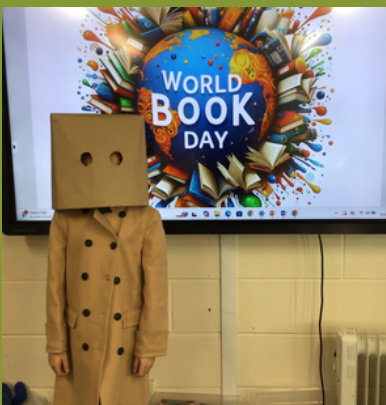

## DODGEBALL SKILLS DURING WORLD BOOK DAY

## TESTING TOOTH DECAY WITH EGGS

## WORLD BOOK DAY

## First Half-Term Learning:

This term, we will be reading Beowulf by Michael Morpurgo. Throughout our lessons, we will discuss each chapter and explore how the author develops characters.

In English, we will focus on creating suspense and detailed descriptions of setting, using our model text as inspiration.

In Maths, we will explore different types of measurement, including area and perimeter.

In History, we will learn about the Anglo-Saxon invasion and the settlement of Britain.

In Science, our topic will be animal habitats and classification.

In P.E., we will focus on athletics as we prepare for sports day.

In Computing, we will learn how to edit images.

In Design and Technology (D&T), we will create Anglo-Saxon-inspired items, learning how to sew and attach fastenings

## IMPORTANT

- PE will be Fridays - (however there will be no PE the first week back)
- Spellings will be tested on a Friday
- Multiplication checks will be carried out every Friday
- Reading diaries checked on a Monday.
