# Wicklewood Weekly

Thank you to everyone who made this year's Sports Day such a success! In particular, thank you to all of the Friends volunteers who gave up lots of their time to sort and organise the Colour Run paints and the stall. Thank you to Mrs Thacker for her organisation of the day and thank you to everyone who was able to spectate and anyone who gamely volunteered to run a parent race!

We hope everyone has a relaxing half-term break in the sunshine and returns ready to learn in Summer 2!

## Pastoral

Some families can feel a lot of financial pressure with the May half term holidays. Here's a small list of free or cheaper things to do in Norfolk next week.

## Every Day Matters

It is a statutory requirement for children to attend school every day.

This week's winners are Kestral Class with 98%!

## SEND

The holidays can be a tricky time for some children, especially with the changes in their daily routine.

While the holidays are a time to relax, it is important and recommended that, where possible, you keep to a rough routine. This could include bed times, getting up and going out for a walk or to the park in the morning, trying to minimise snacking and stick to rough meal times.

The sun is going to be shining this week so have some time away from technology and get out and about in the sunshine.
