

Wren Class Home Learning

21.4.23

Essential Skills:

- Letter and number formation - correct formation of letters a-z and numbers 0, 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10
- Practise reading and spelling the new red words of the week, and previous words of the week -you, I, the, my, me, put, of, she, he, to, go, no
- Reading 5 times a week as a minimum.
- Our new story for this half term is 'The Three Billy Goats Gruff.' I have uploaded the retelling of the story on to Tapestry. Please spend time with your child listening to the story. Can they have a go at retelling the story to you please.

Practise reading and spelling the red words

I, the, my, me, put, of, she, he, to, go, no, you

Maths:

We have been practicing writing numerals 0-10 this week. Have a go at creating a 0-10 number line with your child. Can they then use this number line to play a game of '1 more' and '1 less'. E.g. you point to the number 9 on the number line. What is 1 more and 1 less of 9?

Literacy:

I have also provided a story map cut and stick activity that you might like to complete at home with your child. Sequence the pictures in the correct order on the 'Billy Goats Gruff' story map and take time to retell the story using the map together.

Notes to Parents:

- During lunchtime on Friday 5th May we will be celebrating the King's Coronation. All children will be on the field on this day and will be able to join their families (if you can attend). There is the option of booking a party picnic on this day. Menus for this have been sent to all parents/carers this week. We hope you can come and celebrate with us.
- Save the date! - Wicklewood annual Sports Day is happening on Thursday 15th June. More details to follow.

Have a lovely weekend everyone! May the beautiful weather we have been having continue, I hope.

Mr. Garlinge
