

## Wren Class Home Learning

16.6.23

### Essential Skills:

- Reading - 5 times per week. Please focus on using the picture and context of a book to read unfamiliar words. Remember our phonics is only one way in which we can read words. The pictures, context and knowing words by sight are all crucial in helping us to be readers.
- **Recognising Set 2 sounds** and continuing to revise Set 1.
- Practise reading and spelling the new red words of the week, and previous words of the week **like**, I, the, my, me, put, of, she, he, to, go, no, you, said, be, are, all, was, some, come, for
- Learning number bonds to 10. E.g. 10+0 9+1 8+2, etc.

### Practise reading and spelling the red words

**I, the, my, me, put, of, she, he, to, go, no, you, said, be, are, all, was, some, come, for, like**

### Reading books / Reading records

20 out of 26 children read at home 5 times or more last week and earned their gold star. Well done Wren Class!

## Maths:

This week in Maths we have been learning to double numbers and checking our understanding of what the word 'double' means and how we apply this to addition calculation.

We have played doubling games with dice, dominoes and with pictures. We made butterfly and ladybird pictures that were decorated to represent the doubles for numbers 1-6.

Have a go at playing the 'doubling dice game' that we played in class this week with your child. You just need some paper, pen and 2 dice. Please see the attached Maths Activity to explain the game.

## Next week

### Library

Don't forget that Monday is our new library day. All library books should be returned alongside reading books on this day.

### Wren Parent Assembly

Thursday 22<sup>nd</sup> June 9am-9.20am. If you can attend our assembly, please make your way to the school office to sign in and then wait by the white door at the front of the building, where we will let you into the main school hall when we are set up and ready. It will be a chance to see some of the things we have recently been doing, including a couple of songs to enjoy, performed by the class.

Dates for the diary:

Wren Class Reception Maths Café for parents to attend -  
Monday 10<sup>th</sup> July 2pm. - More information to follow.

Best wishes for a lovely weekend,  
Mr Garlinge
