### Reading & Writing

Please continue to read at home this week. We are aiming for a goal of having everyone in Greenfinch reading at least 5 times each week!

This week we have been improving our persuasive writing by deciding who our target audience (for example, selling an old, run down house to a ghost or a witch). Who would you sell this house to? Can you write a persuasive paragraph listing all the benefits of this house for your target audience?

## **Maths**

In maths this week, we have spent a lot of time working out how to pay for items with different amounts of money and also how much change we should expect to receive from a purchase. Have a go at one of these games to keep working on these skills at home:

<https://www.topmarks.co.uk/money/toy-shop-money> - There are two game modes; the first is using coins to make different amounts of money to buy toys and the second is working out change.

<https://natwest.mymoneysense.com/students/students-5-8/the-change-game/> - Work out the correct change for each amount paid.

## **Next week...**

- The current group of swimmers will continue their sessions next Monday.
- Please help children remember to bring their reading records to school on Monday. We want to try and earn enough stars to win the weekly reading trophy!
