pleasure
island

dislocate
disadvantage

decide
survey

exactly
bravely

ordinary
promise

Reading & Writing

Please continue to read at home this week. We are aiming for a goal of having everyone in Greenfinch reading at least 5 times each week!

Using your best handwriting, write a few sentences using this week's spelling words in them. How many spelling words can you fit into one sentence?

Maths

Please continue to practice TTR in short bursts, 5-10 minutes is great!

As part of our focus on multiplication and division this week, we learned the rules for a new game to work on our multiplication bonds. You will need dice and something to use to build arrays:

Next week...

- The current group of swimmers will continue their sessions next Monday.
- Please help children remember to bring their reading records to school on Monday. We want to try and earn enough stars to win the weekly reading trophy!
- Thank you all for your participation in our maths café! It was great to see everyone problem solving out on the playground.
