Reading & Writing

We have been finishing up our persuasive writing advertisements this week trying to sell a Celtic roundhouse. Use all the tools you have practised to create a flyer advertising your dream home. Where will it be located? How many rooms will it have? Will there be a swimming pool?

Maths

Please continue to practice TTR in short bursts, 5-10 minutes is great!

This week in maths we have continued to work on our multiplication and division skills. Use the board game on the next page to practise a mix of multiplication and division calculations from different times tables.

Reading records

Thank you for helping your child record their reading sessions so far this term! Our goal is to have everyone in Greenfinch reading at least 5 times each week. A few reminders:

- Please help children remember to bring their reading records in to school every day.
- Please make sure that even if the child records their reading session for the day independently that an adult signs or initials the box to acknowledge that they have read.

Next week...

- Next week, we will be having our transition days! Children will spend all day Monday and Tuesday in their new classroom with their new teacher. Children in Year 3 should go straight to the Year 4 classroom on Monday morning.
- The current group of swimmers will NOT swim next Monday (July 3rd) due to transition days. They will have their final swimming session the following Monday (July 10th).
