Reading & Writing

Please continue to read at home this week. We are aiming for a goal of having everyone in Greenfinch reading at least 5 times each week!

Using your best handwriting, write a few sentences using this week's spelling words in them. How many spelling words can you fit into one sentence?

Children can also have a go at finding their spelling words in the word search on the next page.

Maths

Please continue to practice TTR in short bursts, 5-10 minutes is great!

We have now completed our final unit on Multiplication and Division for this year. A separate assessment covering everything we have worked on will be uploaded on the Home Learning section of the website. Children can use this to see how much they have learned in this unit.

C	M	A	N	E	K	S	C	H	E	M	E	C	R	B	A	G	K

Reading records

Thank you for helping your child record their reading sessions so far this term! Our goal is to have everyone in Greenfinch reading at least 5 times each week. A few reminders:

- Please help children remember to bring their reading records in to school every day.
- Please make sure that even if the child records their reading session for the day that an adult signs or initials the box to acknowledge that they have read.

Next week...

- The current group of swimmers will continue their sessions next Monday.
