

Week 1 - 16.9.22

English Home Learning

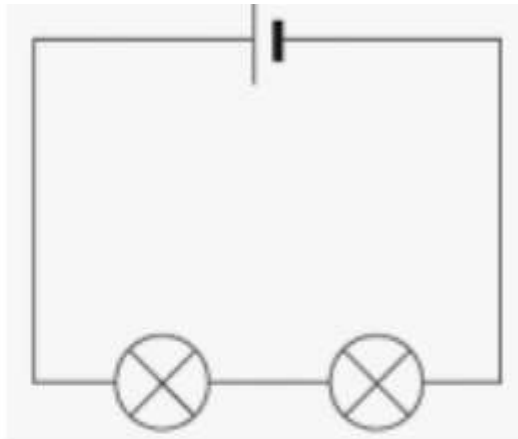

To ease you in this week, I have given you a small piece of home-learning to practise writing personification as we have been doing in class. Have a go at making the tree sound like an evil human being!

[Personification PracticeDownload](#)

Science Spellings

Please learn the following five science words so that you will all spell them right in your Science books this term. It's a good idea to write them out a few times and then have a go at writing sentences which include them.

1. circuit
2. switch
3. motor
4. component
5. electrical

Maths Home Learning

We have been learning about big numbers and digit values, using this knowledge to multiply and divide by powers of 10. Have a go at the following for practice:

CGP Maths Targeted Question Book - page 2 . CGP KS2 Maths Arithmetic Book - pages 16 and 17

Below is a place value challenge for those of you who like a problem to solve!
