Choose five different sentences from your reading book.

Try and identify the word class of each word and then check it using the website below that we have used in lessons. Simply type your sentence into the box (including punctuation) and click the POS tag button. <https://parts-of-speech.info/>

Spelling

This week, I have chosen 5 words that are have been spelt incorrectly in our work (linked to English and Science). It's a good idea to write them out a few times to practise your handwriting.

Maths Home Learning:

This week, I would like you to complete the following page based on the rounding we have been doing in class this week.

CGP Maths Targeted Question Book – page 7**If you fancy a challenge:**

Create a colourful rounding poster explaining how to round to any whole number to a power of 10 (up to a million). You can include any top tips you know and then we can display them on our maths working wall in the classroom.
