Maths Home Learning

We have been focused on positive and negative numbers this week. Please complete the following pages:

CGP Maths Targeted Question Book – page 8 .

Here is a number line should you need it to help you. There is also an interactive number line in the weblinks section on our class page that you may wish to use.

Maths Challenge Activity:

You need to think about the way you explain and reason with this question!

2. Giving reasons, explain whether the following are true or false:

Nineteen less than eleven is minus eight.

$$-39 + 23 = -62$$

27 more than -18 is -45.

The temperature is -5°C outside and 23°C inside. The difference is 18°C .
