

Week 8 – 11.11.22

English/History Home Learning

This week, the children have continued learning about detective fiction and have just planned their own stories which they will be writing next week. Today, we have learnt about different people who died in WW1 and WW2 as part of Remembrance Day. There are pages from the English CGP book on our spelling focus of -ough- to complete and also a Remembrance comprehension activity to have a go at. For those who need the challenge with comprehension, I have included a link to the more challenging version of the reading comprehension.

CGP English Grammar, Punctuation and Spelling Targeted Question Book – pages 90 and 91

Activity:

Spelling – Words to learn from this week’s spelling focus – -ough- and the different sounds it makes. Remember, at school, highlight these words spelt correctly with a highlighter in your books and you will achieve positive points!

SET A		SET B	
tough	cough	borough	thoroughly
enough	fought	toughened	ploughing
though	through	overwrought	sloughing

*Make sure you look up the meanings of any words you don’t know.

Maths Home Learning

This week has been focused on still becoming fluent in using and applying the standard column method for short and long multiplication. As discussed at learning reviews, the children need to keep practising this to ensure they can access and complete many of the test questions

in May and also to keep and use as a necessary skill in the outside world. Please complete the following pages from your maths books:

CGP Arithmetic Book – pages 20, 21, 22 and 23

Below are some extra practice questions on long multiplication if you would like to keep practising in future weeks. You can access the teaching videos in the home-learning from 4.11.22 to help you.
